

## NEO HOUSEHOLD PAINT ACRYLIC EMULSION

PRODUCT CODE: Al00

TECHNICAL DATA SHEET NO. 01-Wall Paints
JUNE 2009

A new generation, water based, 100% acrylic, quality interior, matt coating.  Application Areas  Interior use only. Plaster, hardboard and fibre cement walls. Ceilings, like soft board, gypsum and other fibre board. Cast concrete or plastered ceilings. Can be applied on new plaster, which still has high humidity content and is still very alkaline.  Product Features  Economically priced emulsion paint based on an acrylic resin emulsion. Excellent adhesion to properly prepared substrates. Good opacity / hiding power. Low odour. Two coats of NEO Household Paint are applied for best results. Due to its high pigment content it fills up small cracks, holes and plaster blemishes. NEO Household Paint dries to a completely even matt finish.  Resin Base Acrylic resin emulsion Drying Time Touch dry: 30 minutes Hard dry: 3-4 hours  Solid Matter by Content By volume: 28% By mass: 49.2% Film Thickness Approximately 40-60 microns  Film Thickness Spreading Rate  6 - 10 square metres per litre. Although the spreading rate will vary with porosity and type of substrate, for uncoated new surfaces work on 6-8 square metres per litre for the first coat and 8-10 square metres per litre for subsequent coats and when applied to sealed, previously painted substrates.  Surface Appearance Matt

		30112 200
• Raw / Nev	v Plaster •	Fill and seal all visible cracks with <b>NEO Aurora Filler</b> (ef00) or <b>NEO Repair Paste</b> (nrp07).
	•	Apply one coat of NEO Bonding Liquid (ig00) to cover NEO Aurora Filler (ef00) or NEO Repair Paste (nrp07).
	•	Sand well and remove dust.
	•	With brush, roller or airless spray, apply a generous coat of <b>NEO Household Paint</b> .
	•	Allow to dry 3-4 hours before recoating.
	•	Apply a second generous coat of NEO Household Paint.
	, Weathered •	Remove dust, foreign material, fungal and algae growth.
or New Fil	bre Cement •	If friable or powdery, seal with NEO Bonding Liquid (ig00).
Surfaces	•	With brush, roller or airless spray, apply a generous coat of NEO Household
		Paint.
	•	Allow to dry 3-4 hours before recoating.
	•	Apply a second generous coat of NEO Household Paint.
	d or Gypsum •	Make sure substrate is clean and free from dust.
Board Cei	lings •	Prime nail heads with a coat of <b>NEO Universal Undercoat</b> (wu00) (this will prevent corrosion of nail heads).
		Repair dents at nail heads with <b>NEO Aurora Filler</b> (ef00).
	•	Fill up any holes and unevenness with <b>NEO Repair Paste</b> (nrp07).
	•	Apply one coat of NEO Bonding Liquid (ig00) to cover NEO Aurora Filler (ef00) and NEO Repair Paste (nrp07).
		Sand well and remove dust.
		Prime with NEO Acrylic Wall Primer (ap00).
		With brush, roller or airless spray, apply a generous coat of <b>NEO Household</b>
		Paint.
	•	Allow to dry 3-4 hours before recoating.
	*	Apply a second generous coat of <b>NEO Household Paint</b> .
Droviewels		The application of a primer is not required on ceiling boards.
<ul> <li>Previously Surfaces</li> </ul>		Surface must be in a sound condition.
Surraces	•	Existing gloss finishes should be well sanded.  Remove all loose, flaking and bubbling paint.
		Remove all dust, foreign material, fungal and algae growth.
		Allow to dry.
		Fill and seal all visible cracks with <b>NEO Aurora Filler</b> (ef00) or <b>NEO Repair</b>
		Paste (nrp07).
	•	Apply one coat of <b>NEO Bonding Liquid</b> (ig00) to cover <b>NEO Aurora Filler</b> (ef00) or <b>NEO Repair Paste</b> (nrp07).
	•	Prime the bare and visible plaster areas with NEO Acrylic Wall Primer (ap00).
	•	With brush, roller or airless spray, apply a generous coat of NEO Household
		Paint.
	•	Allow to dry 3-4 hours before recoating.
	•	Apply a second generous coat of <b>NEO Household Paint</b> .
Colour Range	e and •	NEO Household Paint is available in White and limited pastel colours.
Quantities	•	Available in 20 litres.
Precautions	•	NEO Household Paint is not flammable.
	•	It contains no toxic substances and very low levels of VOC (EU regulations).
Disclaimer		his product is not an acrylic primer and must not be used in place of NEO Acrylic
		Vall Primer (ap00) or failure will result.
		EO Paints can not be held liable if the product fails due to improper surface reparation or application.
